

CAMPUS TALK

The Bi-Annual
Newsletter

From the Chairperson's Desk:

Jan. - Jun., 2025

With immense pride and excitement, we present to you the latest edition of our campus magazine — a vibrant tapestry of ideas, achievements, and memories that capture the essence of our college life during the past semester.

This edition is more than just a collection of articles and photographs; it is a celebration of the incredible journey we've all shared. From academic milestones and cultural fests to sports victories and social initiatives, each page reflects the hard work, passion, and creativity of our student community and faculty.

As the editorial team, it has been a truly enriching experience to witness the sheer diversity of talent across the campus. We have done our best to bring together stories that inspire, inform, and ignite curiosity. We hope that as you turn these pages, you will relive those moments and feel a renewed sense of pride in being part of this institution.

We extend our heartfelt gratitude to our mentors, contributors, and everyone who supported us in bringing this edition to life. Your encouragement and enthusiasm kept us going, and your contributions gave voice to this magazine.

Let this edition serve as a reminder that together, we create not just events or memories, but a legacy — one semester at a time.

Happy Reading!

From the Editorial Desk

Dr. Bindu Kumar
Chairperson, NDIM

Dear Readers, We are delighted to bring you the latest edition of our college newsletter, which captures the vibrant spirit, achievements, and milestones of our institute. This issue is a testament to the hard work, creativity, and commitment of our students, faculty, and staff who have contributed to its making. A special word of gratitude goes to our esteemed Chairperson, Dr. Bindu Kumar, for her unwavering support and visionary guidance. Her encouragement has been a source of inspiration, moving us to strive for excellence in every endeavour. This newsletter not only serves as a reflection of our accomplishments but also as a platform to celebrate the talent and dedication that defines our college community. We hope you enjoy reading it as much as we enjoyed creating it for you. We appreciate your views, comments and suggestions at research@ndimdelhi.in

Excursion Trip

From 06.01.2025 to 10.01.2025, NDIM organized a fun and memorable tour to McLeodganj, Dharamshala for students. A group of students embarked on an educational and recreational excursion to McLeod Ganj, Dharamshala. The cold mountain breeze and serene environment instantly made us feel refreshed. Students relaxed in the hotel and later explored Mall Road, the Tibetan Market, and the Dalai Lama Temple, gaining insights into the rich culture and customs of Dharamshala. Such excursions bring the spirit of camaraderie and friendships, students were able to understand the rich diversity of India. The city's ethereal beauty, adorned with majestic places (Mall road, Dalai Lama temple) has a rich cultural heritage this provides the right backdrop for a spiritually transformative experience.

Scribbling Day - A Day of Memories at NDIM

On 07.02.2025, the NDIM campus came alive with laughter, nostalgia, and heartfelt moments as students celebrated Scribbling Day—a cherished tradition marking the end of their college journey. The day kicked off with a group photograph, capturing the beginning of a celebration that would be remembered for years to come. Dressed in traditional white attire, students turned their outfits into living canvases, filled with handwritten messages, doodles, and signatures from friends and classmates. These colorful scribbles weren't just ink—they were tokens of friendship, memories, and the bond shared over the years.

The campus buzzed with emotion as students exchanged warm hugs, laughter, and farewell wishes. Group photographs were snapped at every corner, each one freezing a moment of joy, mischief, and unity. Scribbling Day at NDIM was more than just a celebration—it was a beautiful tribute to the journey, the people, and the unforgettable moments that shaped the students' lives.

Farewell Party

On 9th May 2025, the graduating batch of NDIM bid a heartfelt goodbye to their college journey with a grand Farewell Party held at the elegant Essex Farms. The venue was beautifully adorned, creating a perfect blend of warmth and celebration for the evening. The event began with engaging anchoring and vibrant cultural performances, setting an energetic and emotional tone for the night. Faculty members took the stage to share their best wishes, fond memories, and words of encouragement with the outgoing students, adding a personal and touching touch to the evening. One of the evening's highlights was the title distribution and awards ceremony, recognizing students for their achievements, contributions, and standout qualities. Laughter and applause filled the room as titles brought back shared memories and celebrated each individual's unique journey. The night culminated in an electrifying DJ session, where students and faculty danced the night away, celebrating the end of an era and the beginning of a new chapter. It was truly an unforgettable evening—one filled with joy, reflection, and togetherness.

Webinars

Virtual Boot camp on AI by NASSCOM

Cybernauts- the IT Club at NDIM (New Delhi Institute of Management) has successfully conducted the webinar on virtual boot camp on AI by NASSCOM on 10-03-2025 and it's attended by president, vice president, core team and first, second, third year student. This webinar is conducted on Google meet. Introduction to AI: Experts explained the basics of AI, its importance, and its impact on industries.

Industry Applications: Practical use cases of AI in healthcare, finance, and automation were discussed. Career Opportunities in AI: Information on AI job roles, required skills, and future prospects was shared. Interactive Q&A Session: Participants actively engaged with speakers, asking insightful questions. Hands-on Demonstration: A brief introduction to AI tools and platforms used in industry. Students appreciated the industry insights and the opportunity to interact with the AI professionals. The event successfully increased awareness about AI and its essential career paths, students eager to explore the evolving field of AI.

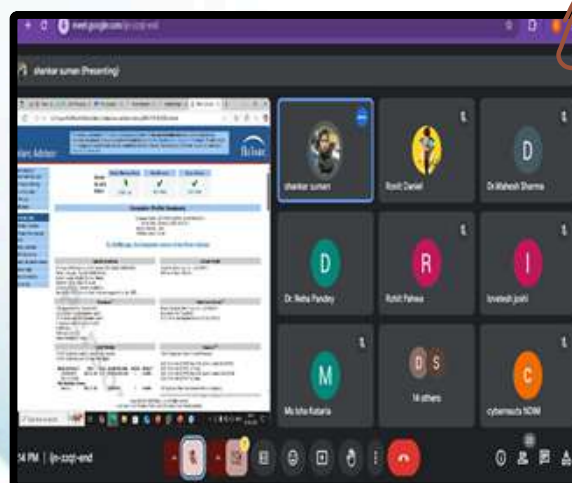

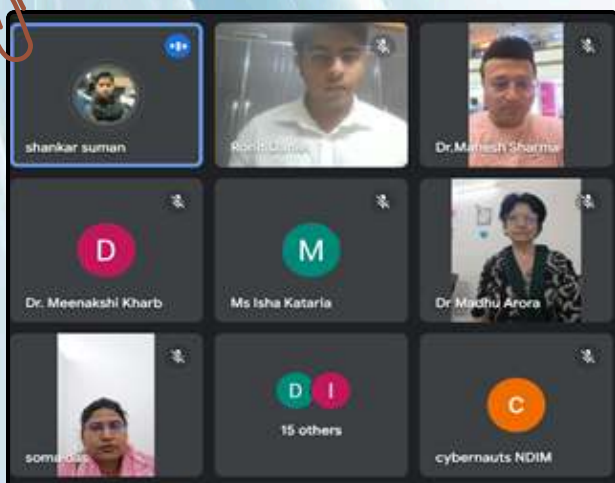

Webinar on Cyber Hygiene

The Cybernauts IT Club of NDIM organized a 1.5-hour webinar on Cyber Hygiene, conducted by expert cybersecurity professionals from the industry. The session was attended by faculty members and administrative staff, aiming to promote a strong foundation in digital safety practices. The webinar covered essential aspects of cyber hygiene including password management, phishing awareness, secure browsing habits, and the importance of software updates.

The speakers, with expertise in ethical hacking, system security, and digital forensics, demonstrated real-world cyber threats and discussed how individuals and institutions can safeguard themselves against them. Attendees were introduced to common attack vectors such as ransomware, email spoofing, and social engineering. The session also highlighted best practices like using VPNs, enabling multi-factor authentication, and avoiding public Wi-Fi for sensitive activities.

A live demonstration showcased tools and techniques used by attackers, followed by how cybersecurity tools like firewalls, antivirus software, and browser security extensions help in defense. Participants also received insights on institutional security policies and how to incorporate safe cyber practices in day-to-day operations. The session concluded with an interactive Q&A round where participants raised thoughtful questions regarding cyber threat management and safe digital behavior.

Whispers of the Night: Reflections on Life's Beauty.

Prof.(Dr.) Anudeep Arora, Director, NDIM

In the quiet of the night
Underneath the starry light
I sit and ponder, lost in thought
In the silence, my mind is caught
I think of dreams that soar so high
Of hopes that reach beyond the sky
Of love that warms the coldest heart
Of courage that sets us apart
I think of all the beauty around
In nature's wonders, so profound
In every flower, every tree
In every wave of the endless sea
I think of all the joy and pain
Of sunshine after the rain
Of laughter ringing in the air
Of moments we all love to share
In the stillness of the night
I find solace, a guiding light
In the beauty of the world so vast
I find peace and love that will last.

Students speak...

Laksh Jain, Batch 2022 – 25

My time at NDIM has been a journey of growth and learning. The vibrant community and quality of education make it feel expansive in opportunities. The faculty here truly stand out—they bring both knowledge and real-world experience into the classroom, making each lecture engaging and relevant. Their support goes beyond academics; they're always ready to guide us in our personal and professional growth. The workshops like mental health, Marketing Mela, and other initiatives taken by the college are very good and helpful.

Harsh Baghel, Batch 2022 – 25

Pursuing a Bachelor of Business Administration (BBA) at NDIM was an enriching experience. The rigorous curriculum provided a strong foundation in business principles, and the faculty were both knowledgeable and supportive. However, the learning extended far beyond the classroom.

The exposure I gained at NDIM was instrumental in shaping my professional outlook. The college emphasized practical learning, with regular industry visits, guest lectures, and internships. These experiences bridged the gap between academic concepts and real-world applications, preparing me for future challenges.

Artika Singhal, Batch 2022-25

As a final-year student at NDIM, my experience has been enriching, with a well-balanced curriculum, experienced faculty, and strong industry exposure. The college provides ample placement opportunities, with recruiters from diverse sectors, and offers excellent support through mock interviews and career guidance. The campus life is engaging, with various student clubs and events that enhance overall development. While the infrastructure is decent, some areas, like practical exposure and upgraded facilities, could be improved. Overall, NDIM is a great choice for students looking for quality management education, industry connections, and career growth.

Karan Yadav,

My experience at my college has been a mix of learning, growth, and memorable moments. From the first day, I was excited yet nervous about meeting new people and adapting to a new environment. College life has also taught me independence, time management, and the importance of balancing studies with social life. Overall, my college experience has been enriching and unforgettable.

Rusha Bhatti, Batch 2022-25

NDIM has a decent reputation for industry connections and placements, particularly in marketing and finance. The faculty was a mix of academicians and industry professionals, providing practical exposure. I was lucky enough to get the opportunity to attend multiple workshops on various topics. However, the campus is relatively decent, and the return on investment (ROI) depended on individual efforts and networking. It is a good option for students looking for corporate exposure and decent placements in a metro city like Delhi.

Deepanshu sehwari, Batch 2022-25

As a third-year BBA student at the New Delhi Institute of Management, my experience has been a mix of learning, practical exposure, and fun campus life. The faculty and curriculum have helped me understand business better, while internships and projects gave me real-world experience. Being part of events and activities has also boosted my confidence and skills, preparing me for the future.

Harishika Mehra, Batch 2022-25

My college journey has been an exciting blend of learning, creativity, and leadership. Being a part of the *Fashion Society for three years* has given me immense recognition and countless opportunities to grow. I've proudly represented my college at IIT Guwahati, where we won *Best Makeup, and at *NIIT Neemrana, where we secured **1st prize. I've also participated in internal events like **Manthan, winning the *Best Dressed Female and i have also won many sashes as well. Additionally, serving as the Class Representative in my 3rd semester helped me develop strong leadership skills. These experiences have shaped my journey.

Ansh Manocha, Batch 2022-25

My college journey has been an exciting blend of learning, leadership, and creativity. From the very beginning, my college has provided *a dynamic platform to explore my passions and grow. One of the most defining aspects of my journey has been my **three years with the Fashion Society*, where I've had the chance to showcase my skills, gain recognition, and contribute to some of the most exciting events. I've had the opportunity to *participate in numerous external and internal events*, representing my college at prestigious platforms:

✨ *IIT Guwahati* - Our team won the *Best Makeup award*

🏆 *NIIT Neemrana* - Secured *1st prize* in the fashion competition

🌟 *Manthan (Internal Event)* - Won the *Best Dressed Male* sash

Apart from fashion, I've also taken on leadership roles, serving as the *Class Representative (CR)* in my 3rd semester*. These experiences have helped me build confidence.

Vaishnavi Sharma, Batch 2022-25

My time at NDIM has been enriching and insightful. Over the course of 2022-2025, I gained knowledge, confidence, and personal growth.

From teachers .. they help me to tackle problems they help to grab opportunities. Personal growth is a big part of college. You learn independence—managing finances, making decisions, and dealing with real-life responsibilities. There are ups and downs, but overall, it's a phase of self-discovery and unforgettable memories.

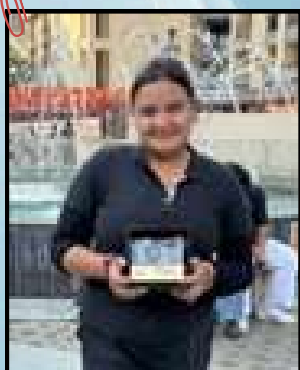

Ganesh Bhatt 2022-25

My college life has been a great learning experience, with supportive faculty and well-structured academics. I really enjoyed the fests conducted, as they added fun and excitement to the college journey. Extracurricular activities have helped in overall development, and the placement support is decent, though more industry tie-ups and providing us such chances to get industrial exposure. Overall, my college journey has been enriching and memorable.

Adrika Naval 2022/2025

From beginning my college life by becoming the best actress to ending it by winning Anugoonj... .it has been a great experience as this college life has taught me so many lessons such as problem solving team management and getting innovations in my work as well as thinking. I came in as a student but I'm passing out as a professional

KANIKA BHATIA 2022-2025

The experience at NDIM is far beyond the expectations. It opened different paths to my career. I wrote my first research paper in marketing, which was published, under the guidance of the most helpful and supportive professors of Ndim. NDIM gave me a chance to be a part of various clubs and societies where I could contribute my efforts. I have been a part various drives such as Shikshit Bharat, Placement drive. Education drive, etc. I also got a chance to be a part of organisation committee in various events such as organising International Conference and Business plan competition as well. Overall, Ndim has been the backbone of my personality development and career growth.

A Note from My Journey at NDIM

Three years at NDIM felt like a lifetime wrapped in moments—moments of discovery, fear, laughter, and growth. From being a shy student on day one to stepping into leadership roles in *Kalakriti* and *Tabiir*, NDIM gave me the canvas to express, evolve, and overcome.

One of the biggest lessons I carry with me is that growth doesn't come from perfection—it comes from participation. Whether it was performing on stage, curating events, or simply speaking up in class, every small step chipped away at my fears and made space for a more confident me.

NDIM was not just about lectures and assignments—it was about people. Friends who became family, mentors who believed in me, and experiences that taught me more than any textbook ever could.

If there's one message I'd leave behind, it's this: *Your time here is what you make of it. Don't just attend college—live it, create in it, stumble, get up, and give your voice a place to grow.*

NDIM laid the foundation—and now, as I pursue my MBA from **IIM Nagpur**, I carry forward the confidence, creativity, and courage that this college gifted me.

Forever grateful,

BBA Group Photograph, Final Year Students

Celebrating our BBA final year students – a remarkable journey of learning, laughter, and lasting friendships as they step confidently into a future full of promise and possibilities!

International Conference at MIT, Kathmandu, Nepal

NDIM was part of organizing team of 17th International Conference on Innovative Practices for Accelerated Growth Across the Disciplines, a platform that brought together thought leaders, changemakers, and academic pioneers from across the globe. Hon. Indira Rana Magar, Nepal, Deputy Speaker of the House of Representatives, was chief guest with gracious presence and inspiring words that set the tone for the event. At the same time, keynote speaker, Dr. Biju Kumar Thapaliya, Vice-Chancellor of Purbanchal University, whose insights into innovation and growth in education were truly enlightening. Words are shortfall to express our sincere appreciation to Prof. Deepak Shaky, Vice Chancellor of Madhesh University for remarkable contribution as the chief guest on the Valedictory session. Special appreciation to our distinguished panelists : Dr. Sandesh Shrestha, Dean, Faculty of Management, Purbanchal University, Dr. Tshering Lama, Chairperson, Idea Studio, Prof. Dr. Anuradha Singh, GDS College, India. Your contributions added depth, diversity, and critical reflection to the Panel Discussion sessions. A heartfelt special thanks to the Convener Prof. Dr. Anurag Agrawal from SS-PG College, India, for his scholarly leadership and warm collaboration throughout the event. I would also like to acknowledge the commitment and hard work of the conference co convenor Surendra Subedi, Chairperson of MIT Kathamdu. Dr. Bindu Kumar, The Chairman NDIM was honoured with International educator award in absentia.

Grateful to our collaborating partner MIT College, Kathmandu, SS PG College, Shahanjapur, India for their continued trust and support. A sincere thank you to Ujjwal Bhattarai for tireless effort behind the scenes. To all the Vice-Chancellors, university leaders, principals, and academic institutions who participated in the discussions, thank you for your presence and valuable input. As the President of Novel Academy, Dr. Bishwors Acharya, inspired the collective passion and commitment to creating meaningful academic transformation. Let us continue to innovate, collaborate, and drive forward a future-ready education system for all.
